

We are pleased and excited to announce that at the end of October 2024, Heather Hills will be celebrating its 50th Anniversary! We are in the midst of planning a gala event and everyone will be invited. A save the date announcement will be arriving soon.

While CareOne and Heather Hills work hard to get ready for this celebration we are asking for your help. We are looking for families who would like to share testimonials, pictures you may have from back in the day or memorabilia. If you know of anyone who had family living here from years past that may be interested in sharing, and being part of our celebration, please pass this notice on and have them send me their contact information, so they may be included.

Every month in the Chronicle we will be posting news about this event, so stay tuned for the updates. In the meantime, if you have anything of interest concerning Heather Hills that you would like to share, please contact

Tami Yates, Recreation Director at
tyates@heatherhills.com

3-day Annual Spring HH Golf Tournament!
Congrats to our Green Jacket winners, Kurt Freund & Rob Johns!
Thank you to each player who participated!

Thank you CareOne for the new golf clubs, as being shown by Harold, one of our HH Drivers!

From the Desk of Robert Johns, Administrator

Thank you to the Team Leaders, several residents and family members that assisted with some early yardwork on Saturday, April 20th. It was a chilly morning, but we were able to get a “jump” on the landscaping in and around Heather Hills. Our efforts focused on the various vines that were climbing the building and the South Courtyard. A nice hot dog lunch was provided by the food service department. It was a great start to our Earth Week festivities.

I am sorry to announce that Bill has resigned as Food Service Director and Grace as Assistant Food Service Director. I want to thank them for their dedication to the residents of Heather Hills and wish them the best in their future endeavors. Several candidates have been interviewed for these positions which we hope to finalize thoughtfully and quickly. Stay tuned for further updates.
